

## **ASSUMPTION CHURCH GREEK SCHOOL COVID-19 GUIDELINES 2021-2022**

Please see below the Covid-19 guidelines we will be following for the safety of our Greek School students, parents, and teachers, even though the State of New Hampshire is not requiring any Covid-19 guidelines for school reopenings this fall:

1. The first day of classes will be on Wednesday, September 22<sup>nd</sup> for grades 5 & 6 and on Thursday, September 23<sup>rd</sup> for grades 1 through 4. Registration will open on August 18<sup>th</sup>. All four registration forms will be available on our Greek School website at <http://greekschool.assumptionnh.org/registration/>. Please fill, sign, and date them, then mail them to our church along with a check for registration and/or book fees or drop everything off at the Assumption Church office (111 Island Pond Rd, Manchester, NH 03109) Monday-Friday 9:00 am-2:00 pm. If there is no one in the office or if you go after hours, please leave the envelope in the church mailbox. Please register your child/children by August 30<sup>th</sup> to allow for timely book order and delivery.
2. All parents will be required to sign a COVID-19 waiver when registering their child/children, along with the rest of the registration forms.
3. Mrs. Alexandra's classroom will be upstairs and Mrs. Ranya's classroom will be downstairs.
4. The class schedule will be:
  - Grades 1-2: Thursdays 4:00-5:30 pm
  - Grades 3-4: Thursdays 5:30-7:00 pm
  - Grade 5: Wednesdays 4:00-5:30 pm
  - Grade 6: Wednesdays 5:30-7:00 pm

We will revisit dance classes sometime in the fall.

5. Each student will have to bring their own snacks and drinks from home. Students will not be allowed to use the water bubblers in the school building. We would like to ask you to please not send any snacks/treats to share until further notice. That includes, but is not limited to, birthdays and holidays.
6. We will dismiss our own students to the parents outside the school building. Parents will not be allowed to enter the building unless there is an emergency. Please drop off and pick up your child/children outside the school building. Mrs. Ranya's students will enter and exit the school building through the front door (the one we have always used). Mrs. Alexandra's students will use the side door by the ramp.

7. Students will not enter the school building until the previous class has been dismissed. Parents should stay with their child/children in their cars or outside the school building until their teacher calls them in.
8. Each student will be required to bring their own school supplies from home (pencils, erasers, etc.) to prevent cross-contamination. School supplies will not be shared among students. Please make sure your child/children has/have their books, notebook, and school supplies with them on the first day of classes and each week thereafter.
9. The use of masks is optional. We will maintain a 3-foot distance between desks per the state's recommendation.

These guidelines may change at any point during the school year. We will constantly stay updated in regards to the state guidelines and keep you informed. For the safety of everyone, we still ask all parents to please keep your child/children home if they have any COVID-19 symptoms or are not feeling well. Also, please notify Mrs. Alexandra immediately if your child/children or anyone in your household tests positive for COVID-19.

Thank you for your understanding and continued support in keeping our students and teachers safe! We wish all our students a great school year!
